## Domain Rule Violation Issue

If we get that error around midnight on LOS

The screenshot shows the CIM LOS application interface. At the top, there is a red banner with the text: "Errors contain reason for domain rule violation. - [xy6arWqamOcyztv1et]". Below this, the "Disbursement Details" section is visible, displaying the following information:

| Field                | Value        |
|----------------------|--------------|
| Finance Amount       | Rs 34,990    |

A screenshot of the Cim finance digital documents application. At the top, there is a green "Customer Found" message box. Below it, the "Digital Documents" section is visible, with tabs for "Documents", "Client Declaration", and "Mo Credit Application". The "Cim finance" logo and the tagline "La vie avance" are displayed. A blue bar with the text "Enter Application Number" is present. Below this, there is a text input field for "Application Number" containing the value "CIM000015099". To the right of the input field, there is a question: "Is customer using a thumbprint to sign the contract?" with radio buttons for "Yes" and "No", where "No" is selected. At the bottom, there is a label "Select Documents to be filled:".
